

## AMGB-50

### DIESEL GENERATOR

GROUP		Standby Power	Prime Power			
Power	kVA	50	45.4			
Power	kW	40	36.3			
Engine Speed	rpm	1500				
Standard Voltage	V	400 / 230				
Power Factor	Cos Phi	0,8				

#### **Continuous Power**

The maximum power which a generating set is capable of delivering continuouslywhilst supplying a constant electrical load. Average load can be 100%. The generator must not be overloaded.

#### **Standby Power**

The maxpower available during a variable electrical power sequence, under the stated operating conditions, for which a generating set is capable of delivering in the event of a utilitypower outage or under test conditions for up to 200 hrs of operation per year under average of 70%load.Overloading isn't permissible.

#### **Prime Power**

The maximum power which a generating set is capable of delivering continuouslywhilst supplying a variable electrical load. Average load should be 70%. The generator can be overloaded 10% for 1 hour per 12 hrs.

#### Standard Specification

Some standard equipments that AMG POWER provides with generator

Δ

- sets; •50°C cooland radiator
  - Flexible fuelpipes and oil drain valve
  - Engine jacket heater
  - 4 pole synchronous type self-excited brushless alternator
  - Battery and wires
  - Entegrated fuel tank

- User and maintenance manual
- Oil and antifreeze
- Datakom D-300 controller
- Battery charger
- Electrical circuit diagram

### AMGB-50

- Diesel and gas genset support
- 400Hz operation support
- Downloadable languages
- Harmonic analysis of V & I
- Weekly operation schedule
- Dual mutual standby with equal aging of gensets
- Overload IDMT protection
- Current unbalance protection
- Fuel filling & fuel theft alarms
- Battery back-up real time clock

- Idle speed control
- Contactor & MCB drive
- · Fuel filling counters
- Fuel consumption counter
- Automatic GSM geo-location
- Reverse power protection
- Free configuration program
- Mobile genset support
- 3 level configuration password
- lp65 rating with optional gasket

#### Optional Specification

Some Optional Equipments that AMG POWER provides with generator Sets;

- Auto refueling system
- Extra fuel tank , coil heaters
- Remote radiator
- Syncronization system
- Circuit breaker

- Special soundproof canopies
- Siesmic solutions
- Trailer
- Remote control panel
- Automatic transfer switch
